Allowable Subject Matter

1. Claims 1-17 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1 and 15, the prior art of record does not teach the minimum distance between the constellation points of the first subset and the constellation points of the second subset is not less than the first minimum distance and a defined set of constellation points, there is a subset in one portion of the plane that corresponds to one value of a certain piece of data and that, for the same defined set of constellation points, there is a different subset of points in a different portion of the plane that corresponds to a different value of the same certain piece of data, as specified in the claims.

Claims 2-14 depend on claim 1. Therefore, they are allowable.

Claims 16-17 depend on claim 15. Therefore, they are allowable..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
